### EVANGELISTIC SERVICES.

Next Sunday, July 10th, will be a special day with the First Baptist Church of this city. On that day the missionary, W. C. Self, of Butler, will be here to begin an evangelistic campaign of two weeks. Mr. Self is an energetic evangelist, whose talks will be interesting and helpful to all. Everybody in Rich Hill and the country within ten miles of Rich Hill is invited to attend the meeting next Sunday night at 8 o'clock. Come and hear the best songs you have ever heard. Famous Hymns is the book used. Special provision will be made for your comfort. Come prepared to keep cool, and enjoy an old-fashioned gospel service. If it is hot the men are requested to leave coats at home.

Lee Ballard is visiting relatives and friends in this city.

Paul Delamater and Leon Conover were visitors in Pittsburg, Kans., last Sunday.

### BIG CELEBRATION.

RICH HILL HAS ONE OF THE BIGGEST CROWDS IN HER HISTORY.

The big fourth of July celebration in Rich Hill was a grand success. The crowds began arriving early and before noon the streets were crowded by people from near and far on enjoyment bent.

The business houses were beautifully decorated, the day was perfect, the crowd good natured and no serious accidents occurred to mar the pleasure of the day.

About noon there was a grand rush for the tables where the barbecue was spread and generous sandwiches were handed out to the hungry until all were satisfied. Then came the parade, the speaking, the exhibition of fire department, the slide for life and various other attractions. The Ft. Scott Band discoursed sheet music throughout the day.

Everybody seemed to enjoy themselves and taken altogether it will long be remembered as one of the biggest celebrations in the history of Rich Hill.

### FAIRVIEW FANCIES.

Mr. and Mrs. James Hedden arrived Saturday from Sedalia. Mr. Hedden will spend a few days among friends and Mrs. Hedden will visit a few days.

Fairview had a hard rain Friday, Saturday and Sunday.

Robert Brown has the measles

Mr. John Marx lost a fine horse Sunday evening by lightning, as Mr. Marx only keeps the best stock it was a great loss.

We suppose those who saw Satan in the parade last year recognized him this year and just as we expected he had Jeffries and Johnson.

Rev. Arnold filled his regular appointment at Bethel this month, and as his time has expired he will supply for a while at least.

Mrs. Daisy Moreland, who has been in Kansas City the past year came Tuesday to spend a few weeks with her parents Mr. Mrs. Niswonger.

Mr. and Mrs. Cresup left the first of the week to visit their daughter, Mrs. Brundage in Wyoming and other relatives in the west.

Mr. P. O. and Leonard Brown left Tuesday for Montana where Leonard has a claim. We suppose P. O. is running from the measles.

Mr. Skaggs, a piano tuner from Nevada, came out Thursday and fixed our organ almost as good as new. He also did some work for Mr. Niswonger.

We are sorry to say Miss Jessie Williamson is under the doctors care again.

We wonder if the Tribune correspondents are all taking a vacation. We will expect them to make up for lost time.

### KEITH NOTES.

Miss Mae McCulloch, of Kansas City is home on a visit to her parents, Mr. and Mrs. Robert McCulloch.

One of the farmers was cutting his oats Sunday but the machine was idle Monday, suppose he found them too green to harvest.

Rev. Woodward, of Rich Hill preached at Reavley Sunday afternoon to a small congregation. Everybody afraid it was going to rain.

Mr. and Mrs. Gooden and family went to Metz Sunday to a reunion and big dinner at Mr. Gooden's parents.

Guess we have broken another link in an endless ancient prayer chain. We have broken several for we have no faith in them.

Mr. and Mrs. Carlos Wheatley and little daughter Marguerite, of Kansas City, arrived Saturday on a short visit to Mr. and Mrs. Wm. Wheatley, they returned Monday. Misses Goldie and Mary Wheatley went home with them for a week's visit in the city.

Several others and ourselves were caught in the rain Sunday afternoon coming home from Keith Bible school. But Baptists don't mind a soaking especially when they have been to a service His cause. We wonder why more of the people don't take an interest in the Bible school. Older ones should take more interest, we are sorry to say some of the young people seem to make light of and consider no importance to them. But there is coming a time when there will be regrets (we hope it won't be too late) when they realize that eternity is near, their desire to make light of religion will vanish.

Well the celebration is over and everyone seemed to have a good time, while the wild beast wasn't as ferocious as advertised and about forty horseback riders were absent, the parade was fine. We have the same complaint to make there wasn't seats enough but then we had a seat but soon got tired of the social part (the Socialist speech) and willingly gave way to someone else.

Did you get one of the little announcement papers of the revival meetings which commence next Sunday at the Baptist church in Rich Hill, which the pastor and members are praying

## A GREAT PIANO CONTEST

THE TRIBUNE WILL GIVE A \$400 PIANO AND MANY OTHER VALUABLE PREMIUMS.

TO THE MOST POPULAR YOUNG LADIES

OF BATES COUNTY AND ADJACENT TERRITORY. A GRAND OPPORTUNITY TO SECURE A FINE INSTRUMENT FREE. READ THIS OVER AND THEN ACT PROMPTLY.

In our next issue will be found an advertisement containing the particulars regarding the contest in which we present to the most popular young ladies in Bates county and adjacent territory a fine \$400 Piano, as well as many other handsome prizes.

The object of this contest is to introduce the Tribune into the homes of as many people as possible. We have at present a large list of subscribers, but want more, and have decided that this is the best plan to get them.

This piano will be given to the young lady receiving the greatest number of votes. A certain number of votes will be issued for each dollar paid on subscription. These votes can be made in favor of anyone whom the subscriber wishes, therefore the young lady who obtains the greatest number of subscription to the Tribune will be the one to secure the piano.

This is no lottery scheme and there is absolutely no risk in this gift distribution. It will be something worth while to win

this piano. This is no cheaply made indifferently toned instrument, but the best that could be procured in the market. It is a Piano that any family would be proud of.

Each subscriber is requested to cut out the nomination blank and fill in with the names of some girls that you think would make good contestants. By doing this you will not only confer a favor upon us but at the same time, help some deserving young lady win a fine piano.

The Tribune will next week announce the full particulars of this great contest. Read it, get full particulars and you will be able to start with the first day of the contest, and while the race is not always for the swift, there is something in being able to start first.

If interested, call at this office or send in your name. Remember that full particulars will appear in next week's paper, read it and you will find out the best way to get a fine piano and it will be something to be proud of.
